Students Perform Aria Da Capo On Saturday

A special performance of *Aria da Capo* by the NPA Young Actors Guild (YAG) will be staged **tomorrow at 8 PM at the Carlos Theater at Dell'Arte in Blue Lake.**

A previous performance in Rouen, France won YAG international praise; now, local theatergoers will have an opportunity to see this critically acclaimed rendition of Edna St. Vincent Millay's timeless satire.

ATTENTION ALL NPA STUDENTS:

Students must sell tickets to tomorrow night's performance! Currently, there are still many unfilled seats. If every student sold just two tickets, the proceeds would match all the hard work many people have put into this project and would support YAG and the NPA International Program.

Tickets for this benefit performance are \$25.

NPA Halloween House Will Be Haunting Soon

By Tim McIlraith

On Monday, the 31st of October, there will be a Halloween celebration at the Bazemore residence in Trinidad. Students will be arriving at 8 AM to start setup, and all the dear little kiddies will be there around 1 PM. Events will include a scary room, a happy

room, the fairy forest, pumpkin carving, and much, much more!

So, if you like eating leftover candy and donuts, I mean, if you like scaring the heck out of little...whatever: just show up, and we'll put you to work.

We'll be wrapping up around 3 PM, and clean up may last until as late as 5 PM.

Editor's Note: All NPA students will be staging this fantastic Halloween extravaganza for children from the Orick School District. Since van use will be extremely limited, students will need to be transported to the Bazemore residence (rather than to NPA) on the day of the event. Carpooling is encouraged: call 822-0861 for more information.

Solo Ensemble and Festival Coming Soon

Students are urged to sign up for the Solo and Ensemble Festival that will take place at HSU on Sunday, December 4th, between 9 AM and 4 PM. Sponsored by California Music Educators' Association (CMEA), this event is open to all students involved in music groups, be it choral or instrumental.

For information about signing up to participate in the event, contact Karen Davy.
